MATERIALS & COLORS

The choice of the materials, fabrics and colors is what gives each piece its expression and plays an important role in the interior design project.

Along with our collection, we have our own selection of materials like wood and marble as well as a selection of different types of leather and fabrics.

You can select from a large variety of colors, materials and finishes to tailor our pieces and adapt it to the look and feel of different spaces.

Due to typographical and computer screens variations, we cannot guarantee that colors shown here are truly representative of our products.

Prior to purchasing, please contact us. We recommend that you order a single sample of any material or purchase a box with all the materials.
